

My Pioneer Family

Write and draw a pioneer from YOUR family. This person doesn't have to be an 1847 pioneer who crossed the plains to Utah. Simply someone in your family who showed great faith in following Jesus Christ. Write down and draw their story. How has this person influenced your life? Are you grateful for their example and faith?

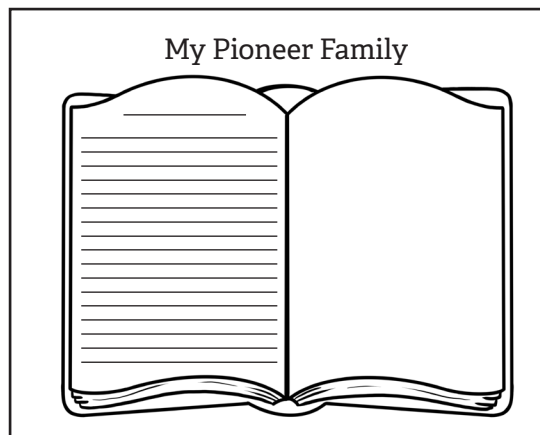

other options created to fit your needs:

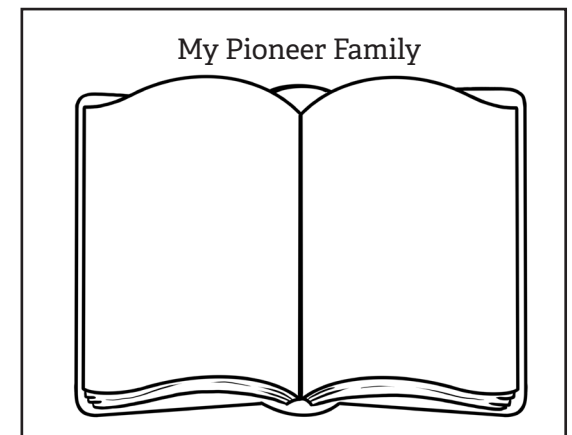

colored print- just drawing

B&W print- writing & drawing

B&W print - just drawing
